

Announcement of School of Information Technology  
King Mongkut's Institute of Technology Ladkrabang  
Subject: Rules for Graduate Education Subsidy of the School of Information Technology  
Academic Year 2024

---

To make the allocation and selection of graduate scholarship recipients of the School of Information Technology orderly, as announced by the Board of Education Fund, King Mongkut's Institute of Technology Ladkrabang, regarding graduate education subsidy of the School of Information Technology B.E. 2559 (2016), the following rules are announced:

### 1. Types and number of scholarships

1.1 Scholarships for students selected to join the doctoral of philosophy program in the general recipient category, or selected to join the joint degree program: master to Ph.D. and bachelor to Ph.D.

1.1.1 Doctor of Philosophy Program in Information Technology (International Program)

- Regular student (type 1 and 2)                      5 scholarships

1.1.2 Doctor of Philosophy Program in Artificial Intelligence for Business Analytics (International Program)

- Regular student    4 scholarships

1.2 Scholarships for students selected to join the master's degree program in the general recipient category for research-focused study plan.

1.2.1 Master of Science Program in Information Technology

- Type A1    5 scholarships

1.2.2 Master of Science Program in Artificial Intelligence for Business Analytics

- Type A1    3 scholarships

1.3 Scholarships for students selected to join the 'budding innovator' program.

1.3.1 Master of Science Program in Information Technology

- Type A1    5 scholarships

1.3.2 Master of Science Program in Artificial Intelligence for Business Analytics

- Type A1    3 scholarships

In the case that not all scholarships of a type have been granted out, the remaining scholarships of that type can be transferred to scholarships of other types.

## **2. Amount of scholarship**

Scholarship recipients will be exempted from paying flat registration fees for a period as follows:

- 2.1 Not more than 2 years for a master's degree program,
- 2.2 Not more than 3 years for a joint master to Ph.D. program,
- 2.3 Not more than 4 years for a joint bachelor to Ph.D. program.

## **3. Requirements of the scholarship applicant**

Scholarship applicants must possess the qualities stated in item 7 in the Announcement of the Scholarship Granting Committee, King Mongkut's Institute of Technology, regarding graduate study subsidy of the School of Information Technology, as follows.

3.1 The applicant has applied to be admitted to a graduate program or is a student in a research-focused program.

3.2 The applicant must achieve a proper grade or have a research work related to the program for which he or she has applied as follows:

- 3.2.1 For a master's degree scholarship, the applicant must achieve at least a 2.75 GPA from bachelor's degree study or must have at least one research work published in TCI (group 1), SCOPUS, or ISI (Web of Science) database;
- 3.2.2 For a doctoral of philosophy degree scholarship (for an applicant who has applied with a master's degree), the applicant must achieve at least a 3.25 GPA from bachelor's degree study or a 3.50 GPA from master's degree study or must have at least one research work published in SCOPUS or ISI (Web of Science) database;
- 3.2.3 For a doctoral of philosophy degree scholarship (for an applicant who has applied with a bachelor's degree) and for a 'budding innovator' bachelor program scholarship, the applicant must achieve a proper grade according to the requirements in the rules and regulations of King Mongkut's Institute of Technology regarding graduate study and the 'budding innovator' bachelor program.

#### 4. Schedule for application of scholarship

Detail	Semester 1/2024	Semester 2/2024
Submission of application for every type of scholarship	From now to 15 May 2024	15 July 2024 to 15 October 2024
Announcement of eligible applicants for interview examination	16 May 2024	17 October 2024
Interview examination for every type of scholarship	- Information Technology Program: 18 May 2024 - Artificial Intelligence for Business Analytics Program: 20 May 2024	19 October 2024
Announcement of awardees for every type of scholarship	23 May 2024	21 October 2024

#### 5. Application for scholarship

5.1 The applicant submits an application form for a scholarship at the Educational Service Section, School of Information Technology or submits via e-mail to [Atcharaphorn@it.kmitl.ac.th](mailto:Atcharaphorn@it.kmitl.ac.th) (Information Technology Program) or [Witchayada@it.kmitl.ac.th](mailto:Witchayada@it.kmitl.ac.th) (Artificial Intelligence for Business Analytics Program). All required documents must be attached.

5.2 The applicant must apply for admission into the program for which the scholarship is.

5.3 The applicant who has been granted another scholarship or research fund, from another organization that overlaps with the applied scholarship, must state his or her intention to relinquish the scholarship if he or she is awarded it.

#### 6. Credentials

6.1 Scholarship application form with a 1-inch photo of the applicant

6.2 Transcript

6.3 Research works (if available).

#### 7. Selection of awardees

7.1 For application for every type of scholarship, selection is according to the interview examination score.

7.2 In an interview examination, the applicant uses no more than 15 minutes to present his or her research work or thesis outline that is a part of graduate study. Interview examination score will be given by considering various elements, including his or her presentation, answers to questions, and educational history.

7.3 The selection decision of the committee is taken to be the final decision.

## 8. Conditions for scholarship

In every semester, awardees must submit a progress report on their educational achievement and thesis development to the School of Information Technology. Their educational achievement includes the following.

8.1 Scholarship awardees for master's degree program (type A1) and for 'budding innovator' bachelor degree program must accomplish the following:

8.1.1 Within the 3rd semester of the regular study plan, at least one of their research papers, which is a part of the program, must be published in a journal or a conference publication listed in SCOPUS or ISI international database and listed as an acceptable journal or conference by the faculty's Academic Committee,

8.2 Ph.D. scholarship awardees

8.2.1 awardees must pass the Qualifying Examination within the 3rd semester of the regular study plan, and

8.2.2 One of their research papers must be accepted for publication within the 3rd semester of the regular study plan. The publishing journal or conference must be listed in SCOPUS or ISI international database and listed as an acceptable journal or conference by the faculty's Academic Committee, and

8.2.3 Another paper is accepted for publication within the 5th semester of the regular study plan. The publishing journal or conference must be listed in SCOPUS or ISI international database and listed as an acceptable journal or conference by the faculty's Academic Committee.

8.3 During the effective scholarship period, awardees must perform teaching assistant duty, helping to teach courses assigned by the faculty, as well as some other duties.

8.4 As an awardee of a scholarship, he or she must comply with the rules and regulations stated in the institute's announcements regarding student status and behavior. He or she must refrain from misconduct and violation of law. He or she must not be an awardee of another organization's scholarship or research fund that overlaps with this scholarship.

9. In the case that an awardee's educational achievement, thesis progress, or behavior does not follow the conditions above, the Academic Committee of the School of Information Technology will consider whether to provide the rest of the scholarship to the awardee.

10. In the case that an awardee is unable to comply to the terms and conditions in this announcement, the Academic Committee of the School of Information Technology's decisions shall be final.

Announced on February 5, 2024
